

JOIN OUR TEAM OF 'SONRISAS' (SMILES)

Each of the programs for enterprise contributions to the Sonrisas (Smiles) Formula represents an excellent social responsibility option that permits joining together in beneficial formulas that provide sustainability and growth for each of the projects at the Foundation.

With their contributions, companies strengthen their social interests, directing them to attending to the specific needs of over 5,000 Colombian children that, to date, participate in the projects.

At the time that a company makes its contribution, in accordance with its preferences, the Fórmula Sonrisas Foundation immediately converts it into a MANAGER OF SMILES, which entitles it to:

- Recognition by the FFS team
- Inclusion in the FFS Web page
- Certification of the donation for tax benefits
- Annual report on progress attained by the Foundation
