

FSF Golf tournament 2012

With total success, the 8th version of the fundraising FSF Golf Tournament "Your best Swing goes for Helping" was completed.

Last 23rd and 24th of November, 150 amateur golfers and private corporation parties, made possible a full house at the San Andres Golf Club, that will bebenefit 5.500 colombian children.

Thank you very much to all those that made possible the event and joined us!

FFS Tournament

This tournament has been held in Bogota for the last 6 years and has been supported by more than 200 amateur golfers, featuring participation of multiple public figures such as race car driver Juan Pablo Montoya, the well-known golfer Camilo Villegas, actors, actresses, politicians and other recognized members of Colombian society. For the development of the Golf Tournament, the Formula Smiles Foundation has had major sponsors that make the event possible and which receive publicity and donation certificates in recognition for their contribution. Among our major sponsor are TaylorMade, Autoniza, Diageo, Seguros Bolívar, Chevron, Copa Airlines, among others.

This event takes place annually and has been institutionalized since its creation, having great response among amateurs who, year after year, find a space in our tournament where they can have fun while they support a beneficial cause.
